

# Kingsbridge Estate

Update and looking ahead to consider options for change to the buildings and estate

A newsletter to update Kingsbridge Estate residents on the regeneration proposals – October 2022

**We have concluded the options appraisal consultation which considered regeneration options for Kingsbridge Estate. We will now be holding the resident ballot which will be asking whether you are in favour for the regeneration of the Kingsbridge Estate. The ballot will open on Tuesday 8th November 2022.**

The landlord offer, which is our commitments to you the residents will contain all the points that you have raised to us and told us that they matter to you such as properties for adult children.

The offer document will be provided 2 weeks before the ballot opens, during the lead up to the landlord offer being released we will host a number of drop in sessions in collaboration with the independent advisors so that we can answer all of your final queries around the ballot and the landlord offer.

The independent advisors and resident advocate will be available during the ballot to offer support.

One Housing has appointed an independent company to run the ballot process they are called Civica Electoral Services. They are the only company that the GLA recommends by name, and they have over 100 years' experience in managing ballots. The ballot will take place over a period of approximately three-weeks, all voting will be anonymous and there will be multiple ways of voting including online, telephone and postal voting.

The eligibility requirement for voting is set by the Mayor of London's office, The Greater London Authority (GLA). Eligible voters are as follows:

- Social tenants named on the tenancy agreement.
- Residents living in an intermediate rented home.
- Resident leaseholders who have been living in their properties as their only or principal home for at least one year prior to the date the Landlord Offer is published and are named on the lease or freehold title for their property. This means that a household with a joint lease gets two votes and a sole lease one vote.
- Any resident whose principal home is on the estate and who has been on the local authority's housing register for at least one year prior to the date the Landlord Offer is published.

If the residents vote no in the upcoming ballot, then it is very likely that the proposed regeneration will not go ahead. It would probably not lead to a new offer or a changed design and so there wouldn't be another vote.

If you are supportive of the regeneration of Kingsbridge Estate, then voting 'yes' in the upcoming ballot is the only sure way of ensuring these plans get taken forward.
